# TRANSPORTATION CONFIRMATION

## FOR THE 2022/2023 SCHOOL

**This is not the empty seat program!**

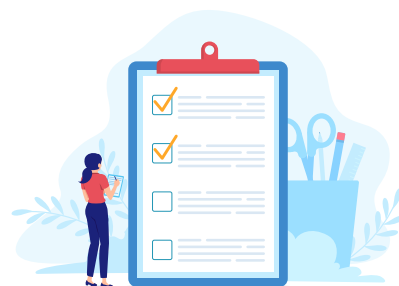

**OSTA is planning for September 2022! Do you intend to use student transportation in the 2022-2023 school year?**

If your child is in one of the following school programs **and** is eligible for transportation please take a few minutes and confirm your plans. We must hear from you!

Programs = Early French Immersion, Middle French Immersion, Regular (English with core French), Gifted, International Baccalaureate, School of Arts, High Performance Athletes, Specialist High Skills Major Program, English as a Second Language, English Language Learner, English Literacy Development, Alternative Program, and Adaptive Program.

Important: If you do not confirm transportation before the deadline, your child **may not** have transportation on the first day of school. OSTA will review late submissions beginning on September 12th, 2022.

**Questions?** Review the [Transportation Confirmation Frequently Asked Questions \(FAQ\)](#) for additional important information.

→ Parents/guardians of students in a joint custody arrangement and having two homes **and/or** using specialized transportation do not need to confirm their plans. In both situations, separate transportation forms must be completed. Refer to the [FAQ](#) for more information.

OSTA will review all form submissions to ensure that the student is eligible for transportation and that all [terms and conditions](#) are met prior to transportation being assigned.

All student's transportation information for 2022-2023 will be made available Online, through the [OSTA Parent Portal](#), in mid-August 2022.
